

## **Here Comes the Ark of God**

**As priest of the Lord, were chosen by Him  
To carry the ark of the Lord  
Clothed with a robe of bright fine linen  
He's prepared us a place for the Lord**

**Raising our voices and shouting out loud  
Singing with resounding joy  
The trumpets are sounding with cymbals of bronze  
And here comes the ark of the Lord**

**Chorus:**

**Here comes the ark of God  
Here comes the ark of God  
Here comes the ark of God  
And we will dance as David danced**

**Hallelujah, Hallelujah,  
We will dance as David danced  
Hallelujah, Hallelujah  
We will dance as David danced**

**Bring in the ark to the tent of the Lord  
We lay down our peace offerings  
Receiving the blessings of David our king  
In triumph we praise Him and sing**
