John (Key of C)

```
            C          F
1) Those who worship the Lord
            Am        G
   Worship in spirit and truth
            C             F
   Those who say that they know Him
         G          C
   Must walk as He walked
          (2X)
```

Chorus:
```
               G              F
      He is the way and the truth
               G          C
      And in Him is the life
            Am       G
      If we obey His word
              F           C
      Then we walk in the light
          (2X)
```

```
        C            F
2) If we say that we know Him
         Am             G
   But we don't keep His word
            C          F
   Then we walk in the darkness
          G          C
   And the Truth's not in us
```

```
   If we walk in the light
   We will have fellowship sweet
   And the blood of Jesus
   Will cleanse us from sin
```
