Psalm 103

All that is in me will bless Your Name
Bless the Lord, O my soul
I will not forget all Your benefits
You forgive all my sins, and You heal my diseases

Chorus:

As the heavens are above the earth
So great is His mercy on those who fear Him
As the east is sitting from the west
So far He removes our transgressions from us

Mercies of the Lord are everlasting
On those who are fearing the King of Kings
His righteousness will flow to children's children
To those who remember His commands and do them

You've redeemed my life from the pit of despair And You've crowned me with mercy and love You have satisfied me with every good thing So my youth is renewed, and I mount up like eagles
