

Set You Before Me

**Grant me a single eye
To fear You forever, this is my desire
I know it's for my good
And the good of my children, it's a fountain of life**

Chorus:

**Teach me in Your way
To fear the Lord and set You before Me
I need Your power, Your grace
To demonstrate Your nature divine**

**Grant me a prudent heart
Foreseeing the evil and fleeing from sin
Help me to guard my mouth
And regard You as holy before every man**

Bridge:

**Wisdom is crying out
Gain understanding and the knowledge of God
Wisdom has built her house
Inviting the simple to come in and live**

**Wisdom is crying out
Learn to hate evil, it's the fear of the Lord
Wisdom that's from above
Is pure and is peaceable, willing to yield**
