

Man of Sorrows

- 1) Jesus a man of sorrows
He is acquainted with grief
Wounded for our transgressions
And by His stripes we are healed**

- 2) No beauty that we should desire Him
Despised and rejected by man
He came to His own they forsook Him
Led to the cross as a lamb**

Chorus:

**Now there's no other name
By which men can be saved**

**So Lord I come, bowing by knee
Remembering Your wounds
Beholding Your beauty
I come to the cross, receive all of me
For You are worthy, You are worthy
Bought with a price, I'm not my own
I count it all loss, to gain Christ alone
Lamb that was slain, receive Your reward
For You are worthy, You are worthy
For You are worthy, You are worthy**

- 3) It pleased the Father to crush Him
To carry our sickness and pain
Bruised by the hand that adores Him
When His soul was a sin offering**
