

## **You Love Righteousness**

**I'll give a pleasing sacrifice for my God**

**I'll give a pleasing sacrifice for my God**

**Chorus:**

**A contrite spirit, a broken heart You'll not despise**

**You resist the proud, but grace is given to the humble**

**You love righteousness my Lord**

**You love righteousness my Lord**

**I will hope in things that I do not yet see**

**I will hope in things that I do not yet see**

**I will stand and see the Lord fight for me**

**I will stand and see the Lord fight for me**
