

Your Ways Are Perfect

Deut 32:4; Psa 42:7; Rom 8:28; 4:18

Jesus You're good, faithful and true
And all things go through Your hand
I know You will work it all for my good
At times I don't understand

Chorus:

Your ways they are perfect
Your ways they are high
When Your waves are crashing
And I'm asking why
You are still good in all that You do
And I give my praise to You

You light a fire, through every trial
Cleansing me deep within
Help me to see it's Your love for me
Purging my heart from sin

Bridge:

Lord I trust in You
Though there's pain I will hope against hope
I cry out to You
For Your mercy, I lift up my voice
