

From Death to Life

**Baptized with Christ, into His death,
That we might walk in newness of life.
Set free from sin, now slaves of righteousness.
Raised from the dead by the glory of the Lord.**

Chorus:

**You are the resurrection and the life,
He who believes in You will never die.
You are the resurrection and the life,
He who believes in You has passed from death to life.**

**Body of sin, buried with Him.
He who has died has been freed from his sin.
Sin shall not be a master over me,
I'm under grace, and I have been set free.**
