

Be Strong And Take Courage

(compiled from Psalm 31)

Be strong and take courage, you who wait for the LORD

He is our rock and refuge, He will lead and guide us

How great is His goodness, for those who fear and trust Him

Blessed be the LORD, He has made marvelous His lovingkindness

Be to us a rock of strength, a stronghold to save us

In You we have taken refuge, in Your righteousness deliver us

You see our affliction and know the trouble of our soul

You hear the voice of our supplications when we cry to You

We trust in You, O LORD, You are our God

You preserve the faithful and repay the proud

Make Your face to shine on Your servants, we trust in You

Save us in Your mercy, let us not be ashamed

You have ransomed us, O LORD, God of truth

We won't regard vain idols, but will trust in You

We will yet rejoice and be glad in Your faithfulness
