

Lord, I believe ... You can do anything

Please use this heart
This mind and soul
To speak Your truth
That all may know

Your grace and peace
In the knowledge of You
Your redeeming blood
That makes all things new

For by Your grace
I am being saved
And through Your word
I am washed each day

From glory to glory
You are changing me
Into Your likeness
So others can see

The glory of God
In the face of Christ
The fullness of Him
Who fills all in my life

May this vessel be used
Though broken and frail
To share with the hurting
The hope beyond the veil

I give You thanks
You do all things well
If not for You
No one could tell

Where I would be
Or what I would do
My life is now hidden
In Christ and for You
