

Nature Divine

**O Your power has given us
All things for life and godliness
That we might partake of Christ
And His nature divine**

**These, Your precious promises
The saints of old could not possess
You, reserving this for us
The Son within resides**

Chorus:

**Jesus died and rose again, exalted to Your side
Pouring out the Spirit to empower us to shine
With nature so divine**

**All the fullness of the Godhead
Dwelling in Christ bodily
In Him, we are now complete
And called the sons of God**

**Having precious promises
We cleanse our spirit and our flesh
Making perfect, holiness,
Within the fear of God**

Final Chorus:

**Holy Seed impart in me Your holiness divine
Through the sonship and the stripes Your holiness is mine
Your nature so divine**
