

Those Who Are Christ's

2 Tim 3:12; Gal 5:24; Lk 22:42-44; Rom 8:18; 2 Cor 4:16-18

**All who desire a godly life
Will suffer for His name
Counting it joy amidst the trials
Knowing that life is gained**

**Those who are Christ's have crucified
The body of the flesh
With all its passions and desires
And overcome the tests**

Chorus:

**You drank the cup, O Lamb of God
You have endured the cross
Poured out Your will, with drops of blood
Showing us how to walk
Worthy are You, O God**

**The sufferings of this present hour
They cannot be compared
With all the glory and the power
To be, in us, revealed**

**Outwardly we are perishing
The inward man renewed
Looking to things that are unseen
We put our hope in You**
