

I Need A Saviour

Psa 119:114; 31:2; 68:5; 46:1

Jesus, my deliverer
My strength, and my hiding place
There is no stronger tower
Than Your holy name

Chorus:

You are mighty to save me
You're my refuge and Rock of safety
Every day I need a Saviour
And You are mighty to save

You are my defender
Living to intercede
A present help in trouble
Watching over me

Bridge:

You are my firm foundation
You are my hope and shield
Lord, You are my salvation
I find rest in You
