

Morning Song

1 Jn 4:4; Col 2:13-15; Psa 59:16; 40:1-3

**I thank You Lord Jesus
You're greater and You live within me
I'll sing praise forever
For greater are You that is in me
Than he that is in the world**

Chorus:

**You're wonderful, You fill me with joy
You are my morning song
The powers of hell, at Calvary they fell
You are the hope in my heart**

**You triumphed, victorious
Disarming all powers on Your cross
Erasing my charges
And raised me from death to reign with You
Shaming the enemy**

Ending:

**You raised me from the miry clay I thank You
You fill my tongue with songs of praise I thank You
You lift me up and guide my way I thank You
The gates of hell shall not prevail I thank You**
