

Abundant Life

**This is the day You've made and I will be glad
Rejoice in the Lord always, it's a promise to be had
In Your presence there is fullness of joy
At Your right hand pleasures forevermore**

Chorus:

**Abundant life, that's what You came to give
When we abide, our joy overflows
For the thief, he comes to steal and destroy
But You have come that we may have life and to the full**

**There is a new command, to love as You love
And if we're obedient, then our joy will be full
As a man You had more joy than all men
For You loved what's right and hated all sin**

Bridge:

**Joy is a fruit of the Spirit of Christ
The joy of the Lord is our strength in the fight
Even in sorrow we can rejoice
There is hope in our Lord, it will not disappoint**
