

All My Hope is in You

**My hope is in eternal things
Not in what is perishing
Seated on Your holy throne
You are God alone**

**Living not for earthly things
But giving all for heaven's King
Taking up my cross each day
For the glory of Your Name**

Chorus:

**All my hope is in You
And my hope is from You
All my hope is in You, Jesus**

**You suffered for my sin and shame
Conquered death and rose again
Now You live to intercede
And save me completely**

**There is life in nothing else
I'll live for You and not myself
Knowing You is endless life
You are God Most High**
