

Rejoice, My Soul

- 1) There's an hour that's coming and now is
When the dead will hear His voice and live
Those who hear and have faith, they will rise from the grave
This I Know, rejoice, My soul**

Chorus

**Rejoice, my soul, and all that is within me
Sing for joy, and bless His holy name
For my Lord, He is risen, and He's coming again
Praise the Lord, rejoice, my soul**

- 2) There's an hour that's coming in the end
When the dead will surely rise again
Those who do what is right will have resurrection life
This I know, rejoice, my soul**
- 3) There's an hour when pain and sorrows cease
When we see our Saviour face to face
Let us lift up our eyes, our redemption's drawing nigh
This I know, rejoice, my soul**
