

Treasure

(Matt 6:19-21, 24; Matt 7:13-14)

**We must seek you Father
For You are our reward
You are the sole treasure
You are the living Lord**

**Do not store earthly treasure
Where thieves break in and steal
But lay them up in heaven
Where the tree of life's revealed**

Chorus

**Where our treasure lay
There our heart will be found
Where our heart is found
Reveals if we will enter the gate to life**

**The path to You is narrow
But broad the path to sin
Many will think they've found You
But few will enter in**

**We cannot serve two master
For one hate will our eyes
To one we will be faithful
The other we will despise**
