

Jesus Make Me A Light

Jesus make me a light, which burns ever so bright

Grant me grace to obey, so I'll be found in Your way

May my hope be only in You, an anchor faithful and true

Walking in Your way, that shines brighter till the perfect day

To live as Jesus is my desire, to be found in Your presence every hour

Pleasing the Father in all I do, bearing fruit that glorifies You

Abiding in the love You have for the Son, fulfilling Your call to be as one

Send me Thy power from above, so I'll be holy in Your perfect love
